## What our Customers are saying

*Sterling CareGivers is as good as it gets in Home Care! Being a Registered Nurse. I was concerned about the quality of care and the care workers that would be provided by the home care company as many of the home care companies in the area are pretty sketchy. However, Sterling CareGivers were awesome! They provided my mother with competent and compassionate Aides who were excellent. The owner's were actively involved in following up with me weekly on the quality of service to make sure our needs were being met! A+++++++ Service!*

*Chris B, Union NJ*
